# Better Plants For Your Garden and Landscape

We are always on the lookout for better hardy things adapted to this section—hence this special reminder of some items you may overlook. Labor conditions are still acute but we will be able to do some planting and delivery; and can save you money on our "cash and carry" plan—no catalog expense. Call Shafer 75-6 for the nursery or 363 for Taylors Falls office.

**ARROWHEAD STRAWBERRIES**(Minn. 1118) — New very hardy, thrifty, disease resistant, June bearing sort. Deep rooted plants that produce uniformly large quality berries. **\$3.00** per 100 postpaid.

**ROBINSON**—Another new medium-late June bearing sort of outstanding merit. Very thrifty plants and large uniform berries over a long fruiting season. **\$3.00** per 100 postpaid.

**EVERMORE** Everbearing (Minn. 1166)—Considered the best all-around sort for the average planter. Very hardy, thrifty and productive. Berries are long, pointed, solid red, very firm and of excellent quality. **\$4.00** per 100 postpaid.

**TOP-WORKED or (5-1) APPLES** — Just the tree where space is limited, as you can have a whole orchard on one tree. These are Whitney crabs that have been changed so you have an assortment of large apples covering the season. Yellow Transparent, Wealthy and various later sorts. **\$2.50** Each.

**REDWELL** (Minn. 638) — This new apple of Wealthy type and quality promises to be the best all-around sort. They bear regular annual crops that hang to the tree. 5 to 6 ft. trees. **\$1.50** Each.

**RED RIVER CRAB** Will please you for quality; very hardy and productive. About the size of Whitney but later and of Delicious flavor. 5 to 6 ft. trees. **\$1.50** each.

**RED SILVER CRAB**—If you want something strikingly handsome to brighten up the place be sure and plant one or more of these shrubby trees. Flowers, foliage and fruit brilliant red. 5 to 6 ft. **\$1.50** Each.

**MAY DAY TREE**—This grand shrubby tree of the cherry family is the first to leave out and bloom and should be more generally known and planted. 5 to 6 ft. **\$1.50** Each.

**ZABELI or RED** Bush Honeysuckle—At last we can offer you a real red bush honeysuckle. **50c, 75c** and **\$1** sizes.

**SNOW-FLAKE MOCK ORANGE**—Is a patented Minnesota product that is hardy, fragrant, very double, prolific and of medium growth. 2 year **\$1.25** postpaid; 3 year **\$1.50** each.

**BOLLEANA POPLAR**—Upright growth like the Lombardy but hardier and longer lived. Glossy green foliage with silvery beneath. **\$1.00** size postpaid and larger as listed.

**HEDGE PLANTS**—For one of medium height that is easy to keep in shape try **DWARF NINEBARK SPIREA**—a rather new good foliage sort with light pink flowers. For a flowering hedge **GROOTENDORST** roses are ideal. The **PURPLE ARCTIC WILLOW** is another very hardy good medium grower that can be kept at any height. Or for a colorful dwarf hedge try **RED LEAF BARBERRY**. For a quick growing taller hedge the **ZABELLI RED** Honeysuckle will please you.

**TAMARIX** is gaining in popularity as planters come to know it. Fine cedar like foliage and beautiful sprays of pink during the summer. **YAGER** is a new very hardy sort; and **PURPUREA** one of the brightest.
